To Our Donors Like You:

I am writing to you on behalf of Hope for the Journey, because heroes like you make all the difference in the lives of women fighting breast cancer. At Hope for the Journey, our vision is to create a community that supports and uplifts those fighting breast cancer, because no one should fight alone. Our programs include providing financial assistance, counseling, spiritual support, and insightful knowledge through our support groups and programming. Thanks to you, we have served over (Insert) women in our community thus far.

Let me take a moment to share how one woman overcame breast cancer.

Gale Walker, a healthcare worker in our community, battled cancer not once, but twice. Gale was the epitome of grace through her treatment and inspired others when she felt her worst. Hope for the Journey was able to provide counseling, encouragement, and even financial support in her time of need thanks to our incredible supporters like you. Gale is now an active board member and continues to recruit volunteers to join the fight against breast cancer.

Would you consider assisting a woman, like Gale or Aries, a woman diagnosed with breast cancer at twenty-six, by donating today? It only takes one donation to change a life. Learn how your donation helps below.

There are so many ways you can leave your mark on this community and support our efforts to raise breast cancer awareness. Will you take the next step? I know that together, we can make sure no woman fights alone.

We appreciate your consideration and support of our mission. Words alone cannot describe how grateful I am for individuals and organizations like you. If you have any questions, please contact me directly. Thank you.
